## AN IOWA LETTER

Tazewell Man Writes of Former Days in Tazewell County.

Underwood, Iowa, July 31st, 1910.

Dear Old Clinch Valley News:

As my subscription is out I will try and renew. We are always so glad when you come. We always find you in our mail box on Monday morning. It is surely a welcome visitor, though there are so many sad things in the dear paper. I felt so sad to hear of the death of Mrs. Geo. Gillespie and Mrs. Margaret Harrison; they were daughters of Wm. M. Gillespie, of Richlands. He and his good wife were noble people and they raised a noble family. He was a grand old Democrat. In my first voting, he instructed me how to vote. I will never forget my first voting. It was, Henry A. Wise, McCormick, Bocoock, McMullen and Gillespie. They were all elected. That was a long time ago. Tazewell was nearly all Democrats. There were a few Whigs. I often think of the grand old men of Tazewell in those days, such as Gen. Reese T. Bowen, old uncle Bill Barnes, Bob Gillespie, Hugh Young, Shade White, and the Thompsons and Wittens and Peerys and Cecil and Higginbothams and many others. I was born in the Cove. My father was Milton Ward and his farm joined Gen. Bowen's farm, so I was raised among those grand old men that have long since passed on to their reward. When I saw in the paper an account of the Memorial services at Tazewell, I did not know the name of any of the old soldiers. I remember the first two companies of Infantry Volunteers that went into camp at old Camp Ground between Plum Creek and Liberty Hill, Col. Harvey George's place. They were Capt. T. V. Williams' company and Capt. Jos. Harrison's company. Williams' company was from the Jeffersonville district and Harrison's company was from the Indian district. They were grand, noble, brave young men, and many gave their life's blood for the cause that was so near to all of us. I left my home in Buchanan county and came to their camp and joined Capt. Williams' company the 10th day of May 1861. Many of that company were relatives of mine and the Capt. and I had been boys together. I was acquainted with many of both companies. I often think of the dear boys and feel so sad that we can never meet again in this world, but thank God there will be "Roll Call" over yonder and we will all be there.

I was born in Tazewell county, Oct. 15th, 1837. After I grew up I moved to Buchanan county, where Nov. 12th, 1861 I married Miss Janie Ratliff, daughter of Abner Ratliff, who lived five miles above Grundy, Buchanan county. In 1870 we moved to Iowa. We landed with our two children, the last days of May. We went to housekeeping in a "dog-out." After we bought a scanty outfit to go to housekeeping, we had fifty cents left. We left Virginia in the days of Reconstruction, so we had no money to bring with us and none to leave behind. I had seven hundred acres and more of land in Buchanan. I couldn't give it away so it is there, mine still. I suppose it will sell for something, sometime. Iowa is a good country and I and my dear wife went to work on the railroad. We worked there five years; saved enough to pay for eighty acres of land, so we have made a comfortable living ever since.

After a time she had poor health. In 1902 we decided to visit our old home in Virginia, and see the old places once more. It was too sad to think about, so many of the dear ones dead and gone. Nothing looked natural. I would like so much to have stopped in Tazewell but it seemed that we could not, so with wife and our two daughters, Rosalie and Rebecca, we went on to Bluefield. The train was four hours late so we found Capt. D. B. Baldwin and his good wife and noble family. Had supper with them. It reminded me of old Virginia hospitality. From there we came straight home. Five years ago today my dear wife was

**Throw Out The Line**

Give the Kidneys Help and Many Tazewell People will be Happier.

"Throw out the Line"—The kidneys need help.

They're overworked—can't get the poison filtered out of the blood.

They're getting worse every minute. Will you help them?

Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair.

Will cure any form of kidney trouble.

G. W. Hagy, six miles east of Tazewell, Va., says: "Doan's Kidney Pills helped me wonderfully and therefore I recommend them highly. I was troubled for three or four years by a heavy ache through the small of my back. One time I became so bad off that I could hardly get around. The kidney secretions were scanty and filled with sediment. I was feeling miserable when I procured Doan's Kidney Pills at Jackson's drug store and began their use. They helped me wonderfully and I am now entirely well. I willingly vouch for the efficiency of Doan's Kidney Pills."

For Sale by all dealers. Price 50c. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

buried. The saddest experience of all my life was when I held to my dear wife's hand till she breathed her last and knew that she could never speak to me any more in this world. So sad. We had six children. All dead but the two girls. Wife and three lay in the Garner cemetery, three miles east of Council Bluffs, Iowa. One little boy, our first born, at father's old home in Buchanan county. Thank the Lord, I have a hope that we will all meet in that better land. We all belong to the Methodist Episcopal church.

Now a few words about Iowa. Iowa is a very productive state. Land is worth from \$90 to \$150 per acre. Everything is high too. This is a very dry year in Iowa. We have not had a real good wetting rain this year, and crops of all kinds are cut short. It is very hot here and has been since the middle of June.

I will close with best wishes. Geo. T. Ward, Underwood, Iowa.

**Something for Headache**  
Nothing else, aside from money, is so universally sought for as a cure for headache. Headache powders are not safe and they give only temporary relief in any event. The chocolate coated and capsule shaped pills called Sherman's Headache Remedy and sold by druggists and dealers at 10c and 25c are recommended as the best headache cure.

**Mill Remodeled**  
I have just finished remodeling mill, and am now prepared to do more and better work. Can now furnish the very best flour, meal and chop as follows: Flour in any quantity 2 1-2 cents per lb.; meal 90 cents per bu.; Chop, \$1.65 per 100 lbs. I make a specialty of custom work and will guarantee satisfaction. S. A. WITTEN, Witten Mills, Va.

**After Harvest**  
After harvest those persons who are thinking of examining farms for sale in other parts of the State, will probably start out on their tour of investigation.

We have examined the Real Estate Register of H. W. Hilleary and Co., of Charlottesville, Va., and we notice that they have a large number of farms in Albemarle, Fauquier, Loudoun and other Piedmont Counties, as well as in the Tidewater region.

This firm we feel justified in highly recommending as being thoroughly reliable, for they have the endorsement of some of the most prominent men in our State. They handle properties from \$4,000 to \$10,000. Their list is free. It would be well for you to write to them.

**SHOT HIS WIFE.**

Dick Hillman, a bank boss at the Russell Creek coal mines, at Virginia City, shot his wife through the heart on Monday night, and killed her instantly. It is stated that Hillman had severely beaten his wife before shooting her. The neighbors stated that he had shot at her on several previous occasions. Hillman was arrested and taken to the Wise county jail.

**\$100 Reward \$100**

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Testimonials sent free. Price 75 cents. Sold by all druggists.

Take Hall's Family pills for constipation.

**State Fair of Virginia**

The Premium List of the State Fair of Virginia—to be held day and night at Richmond, the first week in October, 2nd-8th, inclusive—is now being mailed, and while the cost of the printing and mailing of the List amounts to a little over twenty cents for each copy, a postal addressed to Mark R. Lloyd, General Manager, Richmond, Va., will bring it to you free of cost. Send today for a copy. You will find thousands of dollars are offered in each Department.

**Better Than a Cure**

It is well to cure a cold but better to prevent it. As soon as you feel a cold coming on take one or two "Lane's Pleasant Quinine Tablets." You will not have a cold and the tablets will leave you feeling better than ever. They cure grip in a few hours. 25c a box at druggists and dealers.

**UNDESIRABLE.**

An Egyptian woman was brought here to jail from the west end of the county on Monday, and tried before a Magistrate and given sixty days in the county jail and \$100 fine. The charge against her was of an immoral nature, and the evidence was conclusive.

If your liver is sluggish and out of tone, and you feel dull, bilious, constipated, take a dose of Chamberlain's Stomach and Liver tablets tonight before retiring and you will feel all right in the morning. Sold by all dealers.

## BAILEY DONE FOR.

John Bailey, a notorious character in Southwest Virginia, was brought here to jail on last Friday from Pocahontas, charged with criminal assault. Bailey was safely lodged in jail to await the action of the grand jury. It is said that the utmost secrecy was observed in Bailey's arrest and preliminary hearing in Pocahontas, as there was a possibility of violence. Bailey is said to be the most undesirable citizen in this section. He has been in jail in almost every town in this section of Virginia and in many towns in Virginia. The Commonwealth's attorney here is satisfied that he has a strong case against the man, and the probability is that he will be put where he can do no more harm to society.

## ABOUT TROUSERS.

No living man of this age ever deliberately chose to adopt trousers. He was forced into them and all other eccentricities of dress by women. In the very earliest sartorial experience he is swathed in a queer bundle of incoherent bandages by a woman. Later she puts him in cute dresses so that the neighbors can't tell him from his little sisters. Still later on she cuts off his curls, and puts him in knickerbockers, and he puts on long pants when she gives the word, and not before. That is all that a man has to do with wearing trousers. Women forced him into them in the first place, and now he is afraid to wear anything else for fear of making a sensation.—Ex.
